Curfew implemented. Prime Minister Dr. Hubert Minnis announced that a national curfew will take effect from 2020-03-24.

24-hour curfew except for those who have been deemed essential workers, or have special permission from the government.

Emergency Order remains in effect until Wednesday, April 8, 2020.

24 hour curfew/ lockdown implemented. On 6 April the state of public emergency was extended until 30 April.

Lockdown effective 21:00 Bahamas time Friday 1 May to announce 05:00 Monday May 4; April 21 nobody except for current essential workers shall leave the island.

Lockdown extended. The 24-hour curfew regulations continue throughout the month of May, with full enforcement from 2020-05-18.

Island of Bimini (COVID hotspot) will be placed under a two-week lockdown in order to slow and control the spread of the virus.

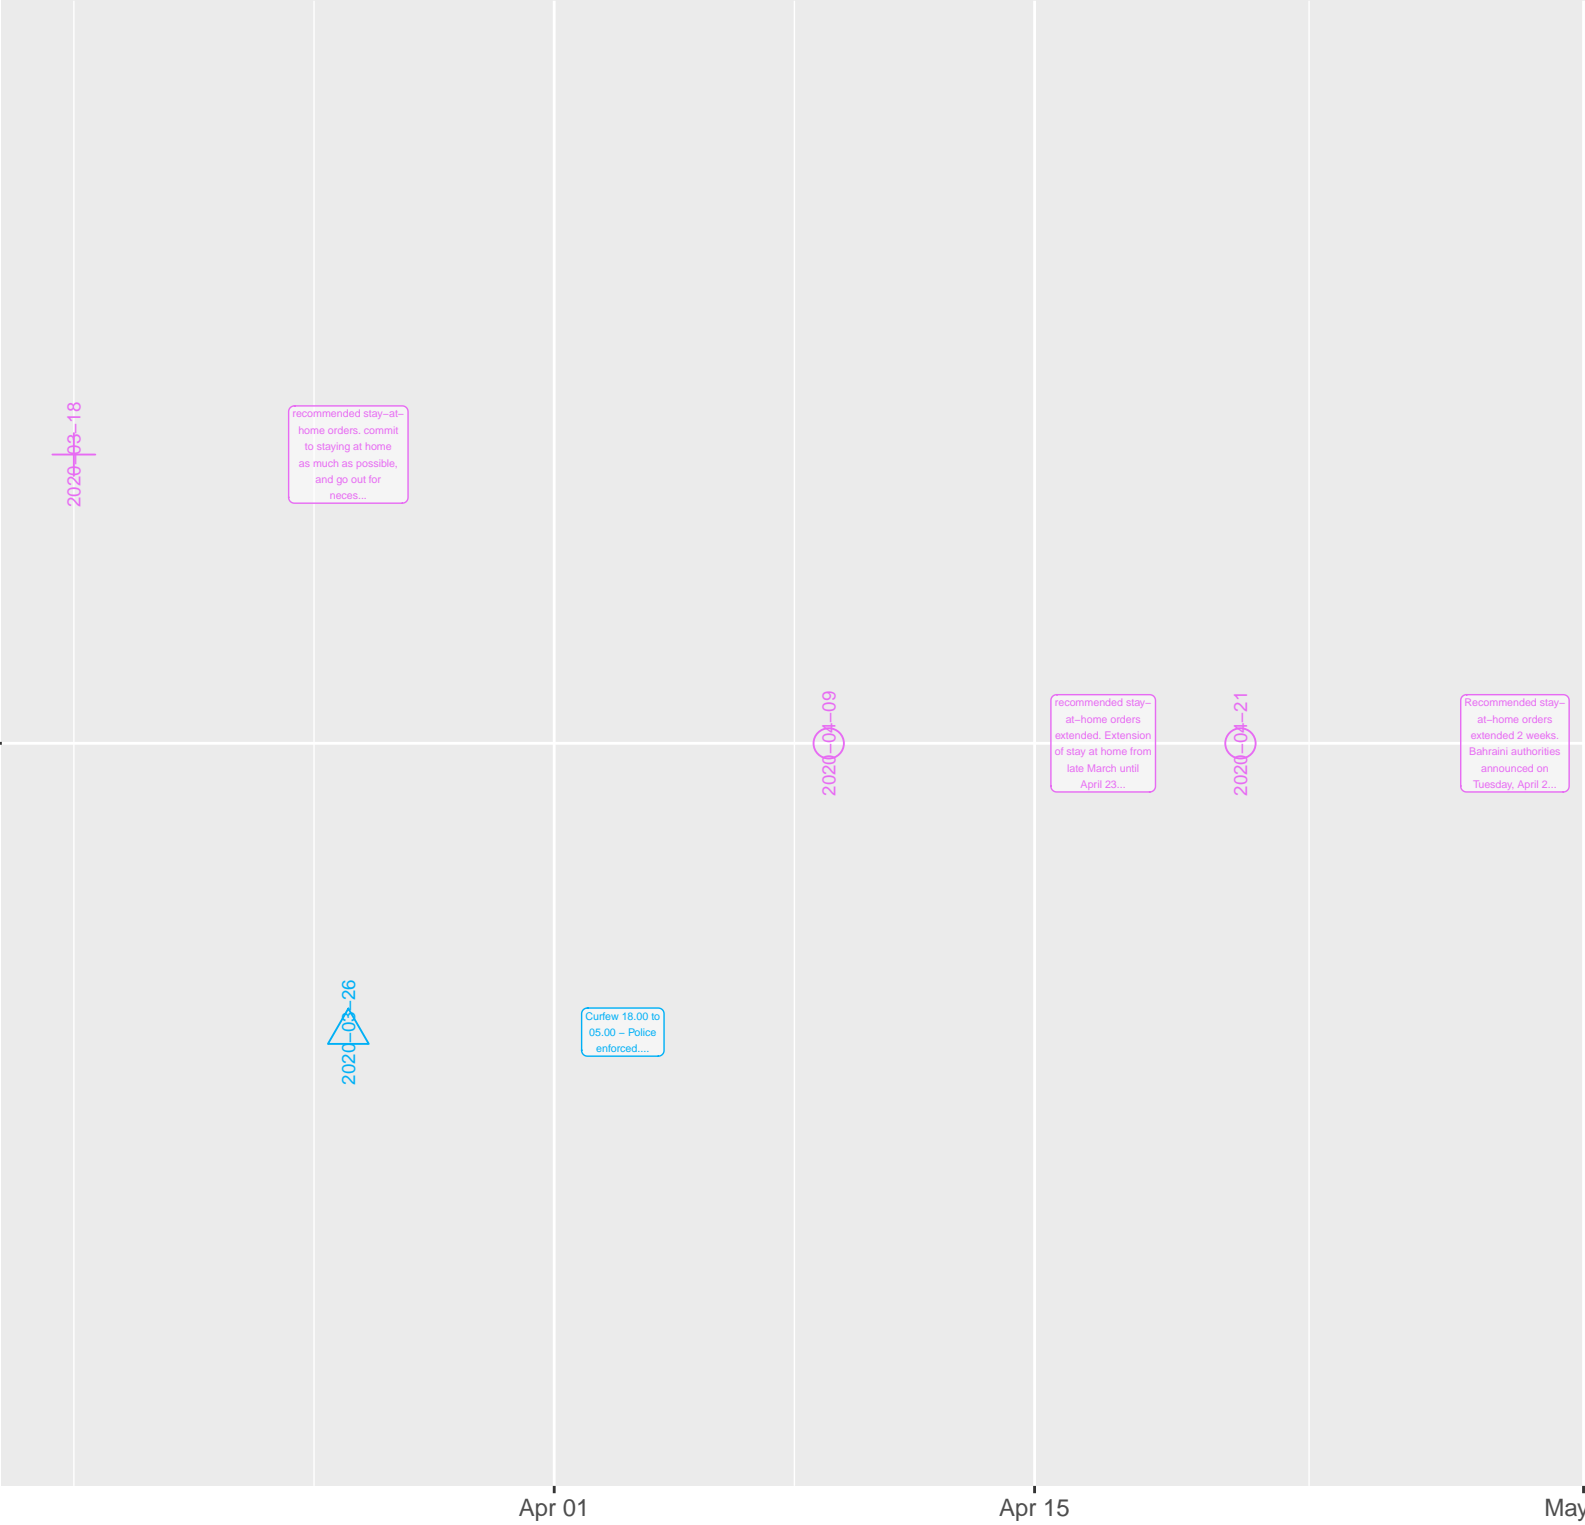

Weekday lockdown lifted, replaced with curfew. Effective June 2, the weekday curfew will be reduced to 2020-06-08.

Nationwide curfew: Weekend lockdown lifted. Effective Monday, June 8, a curfew will be in place from 2020-06-08.

The timeline visualization shows the progression of COVID-19 measures in Turkey from March 18, 2020, to July 25, 2020. The measures are marked with colored boxes and triangles, indicating their start and end dates. The timeline is divided into sections by dates, with some dates crossed out. The measures are color-coded: green for general measures, red for specific measures, and purple for travel restrictions.

Measures and Dates:

- March 18, 2020:** Curfew for 65+. A lockdown starting midnight Saturday for citizens over the age of 65 and those with...
- March 21, 2020:** Endo... citizens leave their houses unnecessarily and limit social contact until the co...
